IMAGINARY WOES

Imaginary woes, we know, . .
Need hardly cause alarm.
We often bump against them, though,
And see them doing harm.

Imaginary woes, we find,
Are very, very vain.
Yet sages say they are the kind
We mostly entertain.

MASON COUNTY COURT

The following business was trans-
acted in the Mason County Court yes-
terday:

The Equitable Trust Company of
Dover was appointed guardian of Ed-
ward Ryan, Patrick Ryan, John Ry-
an, William Ryan and Mary Ryan,
minors, and qualified as such with
its capital stock as surety.

A paper bearing date of February
10, 1912, and purporting to be the last
will of Mrs. Mary Frances Helmer,
deceased, was produced in Court and
ordered filed. The due execution of
said paper was proven by the testi-
mony of William McG. Schitz and
Harry C. Curran, attesting witnesses
thereto. In her will Mrs. Helmer
gave to her daughter, Mrs. Gertrude
Devore, and to her sons, William and
Jess Helmer, the sum of \$5 each. The
balance of the estate was left to her
daughter, Miss Lula Helmer. Miss
Lula Helmer qualified as executrix of
the estate of her mother, Mrs. Mary
Frances Helmer, deceased, without
bond as was requested in the will.

CHARGED WITH EMBEZZLEMENT

Thomas Fearis of Lewis county,
was tried before Squire Fred Dresel
yesterday afternoon and was held
over to the Grand Jury, his bond be-
ing placed at \$300. Same was fur-
nished by his father and he was re-
leased. Fearis was formerly employ-
ed in this city by Frank G. Day & Co.,
to buy poultry and it is alleged that
while conducting the business here
he appropriated \$690 for his own use.
Fearis claims he is innocent and has
employed Judge John L. Whitaker to
defend him.

NATION-WIDE RAID MADE ON I. W. W.

RAID IS ORDERED FOLLOWING
PROBE BY GRAND JURORS.

Attorney General directs seizure of
documentary evidence against
Organization—Offices of Body
Are Raided Simultaneous-
ly in all Sections of
the Country.

Washington, September 5.—The gov-
ernment today took drastic action to
end the anti-war propaganda and ac-
tivities conducted in the name of the
Industrial Workers of the World, the
Socialist Party and other organiza-
tions throughout the United States.

On orders from Attorney General
Gregory, United States marshals in
many towns and cities descended at 2
p. m., central time, upon local head-
quarters of the I. W. W., seized books,
checks, correspondence and other
documents and in some instances, ar-
rested officials found upon the pre-
mises.

Chicago, federal agents took
possession of the national headquar-
ters of the Socialist Party and a war-
rant authorizing the seizure of its
documents was served upon its coun-
cil.

The seizure of documents was car-
ried out in accordance with a plan
perfected by William C. Fitts, assist-
ant attorney general, working under
the direction of the attorney general.
A statement issued by the department
of justice, announced the seizure of
the papers was made in connection
with a federal grand jury investigation
of the Industrial Workers of the World
now proceeding at Chicago.

"This action was taken under the
direction of the attorney general,"
says a statement issued at the de-
partment of justice, "and in connec-
tion with a grand jury investigation
which is in progress in the United
States court in the northern district
of Illinois."

The investigation was begun by the
grand jury at Chicago as a result of
a great accumulation of charges of
all sorts, mostly of violations of the
espionage law, directed against the
Industrial Workers of the World and
its leaders.

"The government at 2 p. m., today,
Chicago time," the department state-
ment says, "took possession under ap-
propriate legal process of such docu-
mentary evidence, check books, cor-
respondence, etc., of the Industrial
Workers of the World in all parts of
the United States as is desired or
needed by the United States in con-
nection with the indictment and pro-
secution of certain individuals and
persons who have utilized the name of
that organization in connection with
violations of the federal laws."

The exact nature of the alleged of-
fenses was not disclosed. It was said
that would be determined by the fed-
eral grand jury at Chicago. The in-
vestigation was begun secretly a
short time ago and until today's dra-
matic action, was known only to the
officials concerned.

The department's action was taken
on the eve of a report to President
Wilson by Chief Justice C. V. Dwyer
of the Supreme Court of the District
of Columbia, who was designated re-
cently by the President to investigate
the labor situation in the West. Judge
Covington has completed his investi-
gation, which lasted several weeks
and took him to the Pacific coast,
and probably will report personally to
President Wilson tomorrow.

SHRINERS

To Have Big Ceremonial Session in
Ashland in October.

Ashland, Ky., September 4.—At the
meeting of El Hasa Temple at the
Shrine club rooms last night there
was a good attendance with illu-
trious Potentate Gordon Sulser of
Maysville, in the chair, and Recorder
Charles F. Weaver, at the Secretary's
desk.

After disposing of considerable busi-
ness of minor detail it was resolved
by unanimous vote the Shrine pur-
chase Liberty Bonds in the next issue
put out by the government, which will
be within the next few weeks.

The members of El Hasa Temple
thought there was no better way for
them to show their patriotism than
by investing at least a part of their
surplus in Liberty Bonds.

Upon motion it was duly resolved
that the next ceremonial session be
held some time in October. The il-
lustrious Potentate appointed a com-
mittee with full powers to act on this
important proposition composed of
Nobles W. F. Shipman, O. P. L. Beck-
ette and B. F. Forgy. It is the ob-
ject of the committee to have this
meeting at Clyffside Park, at which
time the wives of the Nobles are to
be entertained. The afternoon meet-
ing will be followed with a banquet
concluding with a dance in the Casino
at night.

MASON CIRCUIT COURT

In the case of the Equitable Trust
Company against Thomas Stockton,
et al., the plaintiff was given judg-
ment for \$400 and costs in the case.

On agreement, the cases of Clara
Nower and J. J. Love, both of
Dover, indicted for breach of the
peace, were consolidated and held be-
fore one jury. Nower was found
guilty and fined \$50 and costs, while
Love was acquitted.

In the case of the Commonwealth
against Thomas Stockton the defen-
dant failed to appear in Court and his
bond was forfeited. Attorney A. D.
Cole was surety on the bond and he
was ordered to make good to the Com-
monwealth the amount of the bond.

FIRE HALL PROPOSAL

Again Turned Down By City Council
at an Adjourned Meeting Last
Night—Asphalt Streets
Received.

City Council met in an adjourned
meeting at the Council Chamber last
evening, Mayor Lee presiding and all
members being present.

Dr. Townsend, one of the sanitary
survey doctors, made a short address
to the Council in reference to the san-
itary sewage system and also in re-
gard to the sanitary privy system. Dr.
Townsend stated that the City Council
and sanitary doctors were working in
perfect harmony and hoped to have
Maysville in a perfectly sanitary con-
dition within two years.

Councilman Thomas introduced an
ordinance providing for the construc-
tion of a sanitary sewer, and submit-
ting to the qualified voters of Mays-
ville a proposition as to whether this
city shall incur an indebtedness of
\$100,000 and to authorize the Board
of Council of this city in the name of
the city to issue and sell \$100,000 of
(—) per cent. coupon bonds of the
City of Maysville, to provide a sink-
ing fund for the liquidation of same.
These bonds are to pay the cost of
constructing a sanitary sewage sys-
tem in this city, amplifying and ex-
tending the present system to connect
therewith and to perfect and complete
the system, and parts of systems,
throughout the city. On motion the
ordinance was received.

The Laws and Ordinance Commit-
tee was granted further time in re-
gard to the matter of the sanitary
privy system.

Councilman Thomas again brought
up the matter of building a fire hall
on the city's lot on Limestone street.
Mr. Thomas stated that the residents
near the location for the proposed
hall had offered to donate \$2,000 for
building a hall costing not less than
\$4,000. Mr. Thomas made a motion
that a new fire hall costing not less
than \$4,500 be built. The motion lost
by a vote of 7 to 5.

A resolution was read authorizing
the issuance of \$2,500 worth of emer-
gency bonds to be placed in the hands
of the chairman of the Ways and
Means Committee.

Mr. Frank Clarke was granted per-
mission to address the Council and
read a petition from property holders
on Third and Fourth streets asking
the city take some action in re-
gard to relieving them of the cost of
constructing tarvin streets in front of
their property in 1911 and asked that
Council pay for the streets out of the
general fund as the streets were not
permanent improvements.

The matter of repairing certain
streets and alleys in various parts of
the city take some action in re-
gard to relieving them of the cost of
constructing tarvin streets in front of
their property in 1911 and asked that
Council pay for the streets out of the
general fund as the streets were not
permanent improvements.

On motion it was ordered that the
Police Department enforce more rig-
idly the ordinance regulating automo-
biles parking in congested districts.

On motion it was ordered that the
asphalt streets on East Second street
and Court street be accepted with \$500
of the pay for same held in reserve
to force the contractors to make cer-
tain repairs.

On motion it was ordered that side-
walks in the Sixth Ward opposite the
ball park be put down.

The police were ordered to make
water melon vendors remove their
goods from the corner of Second and
Market streets.

Managers Russell and Watkins in-
vited the members of the Council and
their wives to attend the showing of
"Womanhood" at the Washington
Opera House tonight.

On motion Council adjourned.

NO HOPE FOR SETTLEMENT OF C. & O. STRIKE AT ASHLAND

The Ashland Independent says:
Mayor Salisbury returned home Sun-
day from Richmond where he went to
see the C. & O. railroad officials re-
lative to the settlement of the C. and
O. clerks' strike. While the mayor
was in the city he was received by the
clerks who were given an encourage-
ment that the strike would be settled
thru any efforts of the company. The
mayor was given to understand that
while the company is willing to pay most
of the striking men more money they
will not recognize the union of the
clerks or will they promise to take
back the men who went out except as
individuals, and then only as the com-
pany desires to employ them.

It is understood that the men will
not even consider such a proposition
but will "stand pat" on their original
demands.

AUTO BUSES

To Bring Children to Maysville
Schools—Traffic Division of Cham-
ber of Commerce Makes Re-
port of Its Investigation
of Change of Time of
L. & N. Trains.

Upon instruction from the Board of
Directors on August 25th, we address-
ed Mr. W. M. Moore, Superintendent
of the Eastern Division of the L. &
N., in form of a petition countersig-
ned by Prof. Caplinger of the Public
Schools relative to the inconvenience
and financial loss caused by the morn-
ing train arriving at the present
schedule time.

We also cited to him the fact that
the majority of High School pupils of
times serve in the capacity of pur-
chasing agent for their neighbors,
also it would greatly help the tobacco
men coming in this season if the
train could arrive at 8:30 a. m.

On the 30th, Mr. J. A. Morrison,
Superintendent of the Division com-
municated with us enclosing copy of
letter sent to Prof. Caplinger in which
he stated "that it would afford him
great pleasure to communicate to
the passenger department and change
the schedule to suit our convenience,
if it were not for the fact that it
would inconvenience more patrons to
make the change than would be served
by it."

Number 10 is a local train due to
leave Stanford 4:25 a. m. and connects
at Paris with No. 40—Lexington to
Cincinnati; No. 25 from Cincinnati
and F. C. No. 2 from Frankfort.
Should we change the schedule of No.
10 as requested it would break the
connections named at Paris and Stan-
ford and the train earlier between Stan-
ford and Paris than desired by the
majority of our patrons along that
line."

We sent a reply to Mr. Morrison on
the 4th of September "expressing the
regret that our desire could not be
granted, yet, we wish you to know
that we are broad minded enough to
realize that conditions are conditions
and impossibilities are impossibilities."

Since that time Prof. Caplinger with
our assistance has made arrange-
ments for the out of town High
School pupils to come in by several
auto buses.

This is just another instance where
the auto bus is providing quite a fac-
tor in serving our community.

K. OF P. LODGE

To Give Smoker Friday Evening in
Honor of Members Who Are To
Leave For the Front Soon—
Short Addresses To Be
Made By Fellow
Lodge Mem-
bers.

Limestone Lodge No. 36 K. of P.
will give a smoker and euchre on next
Friday evening to Mr. Horace Horn-
back and Mr. Henry Holmer, who are
to leave soon for Camp Taylor, Louis-
ville. Mr. Hornback leaves Saturday
in charge of the first five per cent.
from Mason county, while Mr. Helmer
will probably leave next week.

A short address will be made by
Judge C. D. Newell and Hon. A. D.
Cole will, on behalf of the Lodge,
make a short speech and present to
each of the young men a wrist watch
to use while in the service. Im-
promptu speeches will also be made
by other members of the order.

Every member of the order who is
called from this time on will be pre-
sented with a wrist watch. In addi-
tion to this the Lodge will pay the
Lodge Dues for each member in the
service.

As a patriotic organization the K.
of P. Lodge is always right up in the
front and willing to do its part. When
the last Liberty Loan was floated this
Lodge purchased \$500 worth of bonds
on which it secured 3 1/2 per cent. in-
terest and at the same time was pay-
ing 6 per cent. interest on the debt of
the Lodge building.

It is also of interest to note that
Mr. Hornback was the first white man
chosen in Mason county who claimed
no exemption.

The Manchester Signal says: Mrs.
W. S. Swisher, of Maysville, was the
guest of Mr. and Mrs. H. N. Spaulding
Friday. She had just returned
here after a month's visit with friends
at Bluefield, Va., and on Saturday
went to her home in Maysville and
had household goods shipped to Cin-
cinnati, where her husband has em-
ployment.

WANTED

FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10
AND 18 YEARS TO JOIN OUR

MASON COUNTY HEIFER CLUB

Believing that the future progress and prosperity of Mason County de-
pends upon the continuing development of its Agricultural interests and the
business efficiency of our future Farmers, with the hope of being able to aid
in those directions, we have decided to organize a Heifer Club for the Farmer
Boys of Mason County.

ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase
Fifty Grade Shorthorn Heifers, about eight months old and weighing about
600 pounds, which we will distribute among the first fifty Mason County
Farmer Boys, between the ages of 10 and 18 years, that apply for and agree
to care for same and that can execute a bankable note covering the cost of the
Heifer; which note shall be payable in the fall of 1918.

The Heifers will be bought by expert cattlemen connected with the Ex-
tension Service of the State College of Agriculture and be distributed among
the boys by lot. Each boy will be given the same chance to make good, and
required to become a member of the Mason County Boys' Agricultural Club
and to care for the Heifer under the directions of the County Agent; to have
the Heifer bred to a pure bred Shorthorn Bull, this fall, and to have her and
her offspring ready for public exhibition and sale in the fall of 1918.

You will not be expected to put up a cent of money now; but, you must
properly care for the Heifer and pay for it later and all the increase and
profit will be yours.

About \$100 will be given away in prizes to the boys getting the best re-
sults, with their Heifers, at the exhibition to be held in the fall of 1918.

For full particulars call at Bank or see Mr. E. F. Boyd, Jr., County Agent,
at once, as we want to close entries to the club by September 1st.

We are anxious to help Boys that are willing to work and learn.

CONGRESS AND THE PRESIDENT

In the year of grace in which we are engaged in a struggle with Prussianism, we have finally made our legislative practice similar to that of the Prussian or the Japanese Diet. The tendency began, perhaps, as far back as President McKinley's time. Under President Roosevelt, the executive laid down the principle which the Legislature clothed in the form of law; but now, and for some time past, a ministry, responsible not to the popular legislature, but to an executive, dominating and only quadrumally responsible, prepares and sends to the legislature, not the basis, but the form of law. It is hardly fair to speak of executive usurpation. It would be juster to approach the subject from the point of view of congressional abdication. The multitude of committees—many of them idle, some of them atrophied—does not make for a sense of close collective responsibility. We all of us know of such committees as those on Indian depredations, and the disposition of waste papers in the executive department. The committees are too many; their chairmen, very able though some of them be, are chosen solely because of seniority of consecutive service on the committees. It seems certain that the presidential power will continue to increase until Congress has the resolution and the vision to throw off the bonds of its present committee system, and organize under the collective leadership of the men who represent the best ability of the parties and their concerted opinion.

One would hardly expect advocates of German "frightfulness" to have left any capacity to be shocked by this time, yet German editors are lifting their hands in holy horror of the American wickedness revealed in our government's refusal to permit further shipments of food to its enemies through neutral countries.

Returned Commissioner Root, who is extremely hopeful of Russia, likens its disturbances to the risings against the negroes in Illinois and against the I. W. W. in the West. If that's all it amounts to, Russia will soon get on her feet, and march, too.

The cotton crop for the year ending July 31 was worth half a billion dollars more than that of the year before, an increase of 50 per cent. in value. At a distance the "snow of Southern summers" looks like gold.

AMONG THE NATIONAL LEADERS

An Authority on Rivers and Harbors

When the House of Representatives again becomes Republican Representative Charles A. Kennedy of Iowa will be made chairman of the Rivers and Harbors Committee. Mr. Kennedy has held a place on that committee for about seven years, through three Congresses. During that time he has become an expert on the subject of waterways. Recognition of his prominence on the committee was given in appointing him on the conference committee on the recent river and harbor bill, an honor no other Republican Congressman received. Mr. Kennedy's constantly increasing power in Congress is a source of great gratification to his townspeople, his popularity with whom is attested by the fact that, when he was only 21 years old, they elected him mayor and kept him in that office for four successive terms.

Opposed Bank Check Stamp

To Senator Charles Curtis of Kansas fell the honor of taking the initial step in the defeat of the amendment proposed to the revenue bill by the Finance Committee for a one cent stamp tax on every bank check. His proposal to strike out the section containing the tax met with a ready response from other Senators, and the paragraph was taken from the bill by the decisive vote of 38 to 22. It was brought out in the debate on Senator Curtis's motion that when the bank check stamp tax of the Spanish war was in effect, the banks suffered from the withdrawal of deposits, the people putting their money into their strong boxes and paying it out themselves as needed. Furthermore, the annoyance caused by the tax and the expense of its collection do not warrant the comparatively slight revenue to be derived from it, only about three and a half million dollars, according to some estimates. The defeat of the committee amendment effectively kills the proposition, at least for the present, as it will not be a matter for the conferees to consider.

Remind Naturalized Citizen of Oath

Representative George B. Francis of New York believes that certificates of naturalization should show on their faces that the holder has taken an oath to support the Constitution of the United States, and to renounce forever all allegiance to the foreign State of which he was a citizen or subject. With that end in view Mr. Francis has introduced a bill revising the present form of view Mr. Francis has introduced a bill revising the present form of such documents. The certificates as now issued state simply that the applicant has complied with the law, but Mr. Francis's amended form specifically sets forth that the holder has sworn to support the Constitution, and renounce foreign allegiance.

Tribute To Kern

It is unusual for the Senate to take official recognition of the death of a former member. Such, however, was the esteem in which the Democratic leader of the last three Congresses, ex-Senator Kern of Indiana, was held by his colleagues that when the death of Mr. Kern was announced by Senator Harry S. New, his successor, a resolution of sympathy was unanimously adopted, and an immediate adjournment taken out of respect to his memory. Although the two differed politically Senator New was a close personal friend of Mr. Kern for 40 years, and felt his sudden death most keenly.

It is estimated that the daily attendance at moving picture theaters in the United States is more than 25,000,000.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Master COMMISSIONER'S SALE OF REAL ESTATE

BRACKEN CIRCUIT COURT.

Chas. E. Curran, Plaintiff vs. Interlocutory Judgment, Audobon Mineral Water Company, etc., Defendants

By virtue of a judgment and Order of Sale of the Bracken Circuit Court, rendered at its June term, 1917, in the above styled cause, wherein the Farmers and Traders Bank of Maysville, Ky., was adjudged a first lien on the hereinafter described property for the sum of Nine thousand dollars (\$9,000.00), with interest at the rate of six per cent per annum from December 27, 1916, until paid and its costs herein expended, and Chas. E. Curran recovered a judgment against the defendants herein for the sum of One thousand dollars (\$1,000.00), with six per cent interest thereon, payable semi-annually from November 11, 1911, and its costs herein expended, and the Equitable Trust Co., of Dover, Kentucky, recovered a judgment against the defendants herein for the sum of Ten thousand dollars (\$10,000.00) with six per cent interest thereon, payable semi-annually from November 11, 1911, and its costs herein expended, and the Equitable Trust Co., of Dover, Ky., as Trustee, recovered a judgment against the defendants herein for the sum of Ten thousand dollars (\$10,000.00) with six per cent interest thereon, payable semi-annually from November 11, 1911, and its costs herein expended, and it was further adjudged by the court that the mortgage bond of the Plaintiffs, Chas. E. Curran, and the defendant, the Equitable Trust Co., of Dover, Ky., individually and as Trustee aforesaid, are of equal dignity and secured by a mortgage lien second and inferior to that of the Farmers and Traders Bank of Maysville, Kentucky, the Undersigned, Master Commissioner, will, in order to pay the above-mentioned judgments, on

SHORT RECESS, IF ANY
Washington, September 5.—Indications at present are that the present special session of Congress will last almost up to the time of the convening of the regular session in December. After the pending revenue bill has been disposed of, Congress must draft and pass a new bond issue measure, and will then take up the subject of pension legislation, or war insurance, or both. There will also be a number of appropriation bills coming up to meet new requirements. If Congress shall adjourn before December, the interim will be brief.

HOME-READING COURSE FOR CITIZEN-SOLDIERS

(Issued by the War Department and all rights to reprint reserved.)

This course of thirty daily lessons is offered to the men selected for service in the National Army, as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this course is merely introductory.

LESSON NO. 22. GUARD DUTY.

(Preceding Lessons: 1. Your Post of Honor. 2. Making Good as a Soldier. 3. Nine Qualities of a Soldier. 4. Getting Ready for Camp. 5. First Days in Camp. 6. Cleanliness in Camp. 7. Your Health. 8. Marching and Care of Feet. 9. Your Equipment and Arms. 10. Recreation in Camp. 11. Playing the Game. 12. Team Work in the Army. 13. Grouping Men into Teams. 14. The Team Leaders. 15. Fighting Arms of the Service. 16. Staff Branches of the Service—I. 17. Staff Branches of the Service, II. 18. Army Insignia. 19. The Army System of Training. 20. Close-Order Drill. 21. Extended-Order Drill.)

In addition to drilling and fighting as a member of a squad, company, regiment, or other "team" of the Army you will have certain important duties as an individual soldier. These duties call for a higher grade of intelligence and self-reliance and throw on you greater personal responsibility.

This is not something to be dreaded or avoided. As you develop the soldierly qualities you will jump at every chance to take responsibility and to distinguish yourself by the courage and good judgment with which you act.

Probably your simplest individual duty will be that of an interior guard. "Interior guards are used in camp or police regulations." (Manual of Interior Guard Duty, par. 3.)

In the training camp your company will be required at times to perform guard duty. This means that one or more of your commissioned or non-commissioned officers, and a number of privates will be detailed for this duty. Customarily a detail of this kind continues for 24 hours, from noon of one day to noon of the next; each private takes his turn at standing guard.

Personal Responsibility

Guard duty is especially recommended as "of value in discipline and training, because of the direct individual responsibility which is imposed and required to be discharged in a definite and precise manner."

(Manual of Interior Guard Duty, apr. 8.) Your duties as a sentinel are best expressed in the general orders which every sentinel is required to repeat whenever called upon to do so. Memorize these general orders now and never permit yourself to forget them. Think them over and you will see that they are clear and exact. They are meant to be strictly obeyed.

My general orders are:

1. To take charge of this post and all Government property in view.
2. To walk my post in a military manner, keeping always on the alert and observing everything that takes place within sight or hearing.
3. To report all violations of orders I am instructed to enforce.
4. To report all calls from posts more distant from the guardhouse than my own.
5. To quit my post only when properly relieved.
6. To receive, obey and pass on to the sentinel who relieves me all orders from the commanding officer, officer of the day, and officers and non-commissioned officers of the guard only.
7. To talk to no one except in line of duty.
8. In case of fire or disorder to give the alarm.
9. To allow no one to commit a nuisance on or near my post.
10. In any case not covered by instructions to call the corporal of the guard.
11. To salute all officers, and all colors and standards not cased.
12. To be especially watchful at night, and, during the time for challenging, to challenge all persons on or near my post, and to allow no one to pass without proper authority.

Even though a sentinel be only a private soldier, he is in a position of real dignity and authority. He represents the commanding officer. He must be respected and the orders he gives as a sentinel must be strictly obeyed, not only by the other soldiers but by officers, whatever their rank. During the night the sentinel will challenge any person or party who comes near his post, calling out sharply "Halt. Who is there?" The

person challenged, or one of the party if there are several persons, may be permitted to approach for the purpose of giving the countersign or of being recognized. In case of doubt it is a sentinel's duty to prevent anyone from passing him and to call the corporal of the guard. "A sentinel will never allow himself to be surprised, nor permit two parties to advance on him at the same time."

Members of the guard may be assigned to duty as orderlies to the commanding officer or to other officers. "For these positions the soldiers will be chosen who are most correct in the performance of duty and in military bearing, neatest in person and clothing, and whose arms and accoutrements are in the best condition." It is decidedly a compliment to any soldier to be designated to serve as an orderly.

An orderly usually accompanies the officer wherever he goes, assists or serves him in accordance with directions, carries messages for him, and the like.

Exterior guard duty consists of keeping watch at a distance from the main body of troops. When a camp is within possible striking distance from the enemy, it is necessary to place small parties of men at points where they may observe an approaching enemy, give the alarm, and if possible check or stop his advance. These parties are known as outposts. When a large body of troops is on

the march, advance, fear, and flank guards keep watch on the surrounding country. In general, their duties are similar to those of outposts.

Scouting

One of the most responsible duties to which a soldier may be assigned is patrolling or scouting. An Infantry patrol usually consists of from 3 to 16 men. It is sent out for the purpose of obtaining information as to the enemy, his numbers, and the nature of the country over which the patrol travels. It is not usually intended that the patrol should fight, since its prime purpose is to obtain and bring back information. However, it may be forced to fight, if discovered, in order to protect the escape of at least one of its members with a report of the information secured.

"Every soldier should be able to find his way in a strange country; should know how to use a compass; should know how to locate the north star; should be able to travel across country, keeping a given direction, both by day and by night, and by observing landmarks he should be able to return to the starting point whether over the same route or by a more circuitous one. This can easily be learned by a little practice. It adds a great deal to the value of a soldier if he knows how to use a map to find his way. If he knows how to make a rough sketch of the country, he has added to his value as a soldier very much indeed." (Manual for Noncommissioned Officers and Privates, p. 161.)

Of course these remarks on guard duty can give you only a general idea of its nature and of your own responsibility. But enough has been said to indicate that any man has much to learn before he can be called a first-class soldier. You will find your months of training slipping by rapidly, especially as you become more and more interested in mastering the varied phases of your new occupation.

AVIATION SITE AT CAPE MAY

Washington, September 5—Just before adjournment the other day, Senator Joseph S. Frelinghuysen of New Jersey, seized a favorable moment to pass his bill for the acquisition by the United States of a site at Cape May, New Jersey, for an aviation station for the Navy. The Department has been very desirous of locating at that point, and has already moved considerable equipment to the site. The location has a fine harbor, which has been under improvement by the Government, and Mr. Frelinghuysen is convinced that the advantages of the place will so appeal to the naval authorities that a permanent aviation station will be maintained there even after the close of the war.

NAVY WILL GET SUPPLIES

Washington, September 5—The mufflers and other garments which the Navy League, through its auxiliary organizations, has been providing for our sailors will not cease to go to the fleet. "An individual" at Washington will receive them from the makers and transmit them to the designated ships. And so Josephus Daniels's order excluding the Navy League from further participation in the work of the war falls of its purpose. Its only result has been to make a further demonstration of the petty mindedness of the Secretary of the Navy—which, as one might say, is a work of supererogation.

WORK THAT TELLS

Plenty of It Has Been Done Right Here in Maysville.

To thoroughly know the virtues of a medicine you must investigate its work. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders, now give confirmed testimony—declare the results have lasted. How can any Maysville sufferer longer doubt the evidence?

Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Doan's Kidney Pills put an entire stop to the pains and my kidneys became well." (Statement given January 9, 1912.)

RESULTS THAT REMAIN

OVER FOUR YEARS LATER, or on November 14, 1916, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Doan's Kidney Pills. The benefit they gave me has been permanent." Mr. Gallenstein is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Gallenstein has twice publicly recommended—the remedy backed by home testimony. 60c all stores. FAVORS CONGRESSIONAL COMMITTEE

Washington, September 5—Congressman Henry Allen Cooper of Wisconsin was one of the members who favored the acceptance of the Senate amendment to the food bill establishing a committee on the conduct of the war. He has little patience with the President's statement in a letter to the Chairman of the Agriculture Committee that the creation of such a committee he would consider as a reaction upon himself. "Is it possible," exclaims Mr. Cooper, "that for the legislative department itself to keep track of the expenditure of the public funds constitutes a reflection upon the Executive?" If that be true, Mr. Cooper considers that the Bill of Rights in the Constitution and every safeguard that is thrown around the exercise of executive authority should be taken as a reflection upon the President, and ought not to be countenanced.

BIG JAIL DELIVERY

At Ashland Neatly Stopped—Prisoner Broke Concrete Floor With Iron Ball.

Ashland, Ky., September 5—Prisoners in the city prison last night had a very impressive demonstration of "lost energy" when they were permitted to work for nearly five hours to gain their freedom surreptitiously and then informed by the police who had enjoyed their efforts to make a jail delivery, that "there was nothing doing" what they were thinking about.

About half past seven o'clock members of the fire department whose headquarters are near the city prison heard a noise like someone breaking concrete with a heavy weight. They listened for a few minutes and then realized that someone in the prison was trying to break out. Officers Rice, Jackson and Gaines, who were at the police headquarters were informed as to what was going on and it was decided to let the men doing the work go ahead and then catch them as they undertook to come out. About midnight Chief Wagoner of the fire department saw a man poke his head out of the hole close to the ground on the side of the city prison nearest the fire station and he at once grabbed hold of the head. One of the police about the same time grabbed hold of the man's feet from the inside and as neither the fireman nor the policeman knew of the other's intentions, the over the head and the feet. Tom Layne, who had been locked up earlier in the day on an intoxicated charge had rather a strenuous time of it for a few minutes.

There were forty-two prisoners in the prison last night, the unusual number being the results of Labor Day celebration. The men who attempted to make a get-away had broken the concrete in the floor of the prison by means of a heavy iron ball which they found in the search room. The dirt was removed with a shovel which was also found in the search room.

DRAFTED MEN RETURN TO HOMES

The seven drafted men who were ordered to report here Tuesday afternoon expecting to leave for Camp Taylor, Louisville, have been allowed to return to their homes until Friday afternoon at 4 o'clock, when they report again to the County Exemption Board. They leave early Saturday morning.

An Ansco Kodak is lost—has been lost for some time. It was the property of William Gordon Smoot, who is now in the U. S. Navy at Norfolk, Va., doing duty as a member of the old Seaman's Guard. He would feel deeply grateful for the return of this kodak or knowledge leading to its recovery. Who will find it and return it to his father?

M. E. CHURCH, SOUTH

Now Holding Ninety-Seventh Annual Conference at Lexington—Bishop James Atkins of Waynesville, N. C., Presiding—Officers Elected.

Lexington, Ky., September 5—With delegates from all over the Eastern half of the State in attendance, the ninety-seventh annual Kentucky conference of the Methodist Episcopal Church, South opened this morning with a business session at the First Methodist church. The conference will continue throughout the week. Bishop James Atkins, of Waynesville, N. C., presided at the meeting this morning. The early session was devoted largely to a routine business. Rev. W. E. Arnold, of Ft. Thomas, was elected secretary and Revs. Messrs. J. B. Harris and J. E. Savage, both of Covington, were chosen assistant secretaries this morning. Rev. F. W. Struve, of Crestwood, was named press reporter and will have charge of the publicity part of the conference.

A personage committee, composed of Presiding Elders W. E. Arnold, of Ft. Thomas; C. H. Greer, of Danville; C. E. Oney, of Lexington; G. W. Crutchfield, of Jackson; E. G. B. Mann, of Lexington; J. D. Redd, of Millersburg, and B. C. Horton, of Lagrange, was appointed. Secretary W. E. Arnold read the annual report of the education commission, regarding Emory and Southern universities, and other educational interests of the church.

Other features of the morning session were addresses by Dr. H. M. DuBose, of Nashville, editor of the Quarterly Review, and Rev. W. A. Swift, of Lexington, editor of the Central Methodist. The importance of the church organs in promoting the work of the conference were pointed out. Rev. Mr. Swift made an offer of the paper to the conference and the matter was referred to the committee on books and periodicals.

This afternoon Dr. O. E. Goddard, of Galveston, Texas, delivered a sermon and tonight at 7:45 o'clock Rev. C. D. Butler, of Nashville, will address the delegates to the conference. Other churchmen of prominence who will participate in the program during the conference are: Bishop Warren A. Candler, Atlanta, Ga., chancellor of Emory university, and Dr. Fitzgerald F. Parker, of Nashville, Tenn.

At this conference delegates to the National Methodist Quadriennial, which will be held in Atlanta in May, will be chosen. Kentucky will be represented at this meeting of four ministers and four lay delegates.

ROOSEVELT ADVOCATES CONSCRIPTION OF THE WAR PROFITS

Chatham, N. Y., September 5—Conscription of war profits to meet war expenses was demanded today by Col. Roosevelt. Speaking at the Columbia county fair here he declared himself in favor of "a very heavily graduated tax on the excess profits due to war conditions; a tax as heavy as Great Britain has now imposed."

"The highest British war profit tax is eighty per cent. 'Heavily graduated inheritance and income taxes are almost necessary,' Roosevelt asserted. He said they should follow the English and German models.

ALLIES ARRANGE GREAT DRIVE TO BREAK AUSTRIA

Washington, September 5—To offset menacing possibilities in the Russian situation and to force Germany into peace more rapidly, the allies probably will soon undertake a new anti-Austrian campaign.

Strong pressure is being exerted on this government to declare war against Austria and then to aid in downing her, so Germany would be without her aid, and cut off Turkey and Bulgaria.

Thus far American officials, including Secretary Lansing, have seen the rather imminent possibility of war between Austria and the United States though they have inclined to let Austria take the initiative.

Just what form the new anti-Austrian activities may take is shielded as a military secret, though apparently it will come by way of Italy or through more forceful tactics in the near east.

Miss Lillian Smith of Richmond, Ky., has been chosen as musical instructor in the Mayslick Consolidated School for the coming term.

PROMINENT RIPLEY CITIZEN DIES

(Ripley Bee)

While not unexpected, the announcement of the death of Mr. John Chambers Leggett, which occurred on last Saturday morning, September 1, 1917, was a great shock. Mr. Leggett had been suffering from heart trouble for several months, but had been able to receive and converse with friends when they called, and it was not known that the end was so near. Mr. Leggett was always an active business man and his business brought him in contact with about all of our people, consequently he was well known to all, and his passing away will be lamented by all of our citizens and those of the surrounding community. He was 74 years of age, having been born in Ripley, September 20, 1843, and living all his life among us. The funeral was held on Monday afternoon at the M. E. Church, under the auspices of the Masonic Fraternity, Cincinnati Commandry, No. 3, of which he had long been a member being in charge. They brought with them some 35 Knights and a band of 20 pieces. Highland Commandery, of Hillsboro, also sent a delegation of Knights. The funeral cortege was the largest and most imposing ever seen in our city.

The County Exemption Board begins consideration of claims for exemption today and expects to finish in a few days.
